Subject: Arkwood CIP update

Hi Jean, Mark, Lori, Jennifer,

EPA will be updating the Community Involvement Plan (CIP) as part of its community involvement duties.

Donn Walters is the site community involvement coordinator and the last version of the CIP is attached. When the draft update is ready, I will share it with everyone for comments.

In the interim, if there are any comments you would like to provide ahead of the update, please let myself or Donn know, thanks.

Thanks,
